ABOUT US

The Fresh Monkee® answers the call to “clean eating” by serving made to order custom Protein Shakes overflowing with fruits, vegetables, nuts, seeds, “clean” protein and other whole foods. We provide a convenient way to recover from workouts, replace a meal or snack and maintain your healthy lifestyle. Our pledge is to offer our customers a healthy shake that is different from the typical smoothies made with high sugar-based syrups, sweetened fruits and low protein additives.

ENTERING THE SHAKE INDUSTRY

The health and fitness market is seeing year over year growth with no slow down in sight. Consumers now more than ever are looking for convenient, delicious and nutritional grab-and-go food options.

The Fresh Monkee® is the center of many communities. We see people daily and sometimes 2x a day. Our locations are designed for multiple configurations including outdoor malls, food courts, mobile units, store-in-store, retail strip centers or can be free-standing with a drive-thru.

CHOOSE THE FRESH MONKEE!

FUN, CLEAN AND SIMPLE
